

Global Journal of Bio-Science and Biotechnology-(GJBB)

VOLUME9[4]

October, 15 2020

Review Article

Research Articles

- Assessment of weeding in transplanted rice through mechanical means
Gangwar, S.K. & Reyaz Ahmad 120-126
- Biomedicines -aakashmoni cost-effective covid-19 vaccine: reduced plant-diseases enriched science technology
communications socio-economy bio-applications
Subhas Chandra Datta 127-144
- An a-L- rhamnosiadase from aspergillus oryze NAIMCC-F02469 activein neutral pH range
Sarita Yadav 145-152
- Production and optimization of chitosanase from bacterial isolate CHTM-12
Kumari Shalini¹, Wamik Azmi² and Vijay Kumar^{3*} 153-161
- Alleviation of water deficit stress in lowland rice cultivated as upland rice using seed priming
¹Isiaka Kareem, ^{2,3}Ismail, M.R., ³Puteh, A.B., ⁴Kareem, S.A., ¹Adekola, O.F..... 162-172
- Locusts: problem and management in indian condition specially in central region in the middle of the Covid-19
pandemic
Chanchal Bhargava^{1*}, Sarita Singh², Jagdeesh Kurmi³ 173-176

Case Study
