

## Review Article

## Research Articles

- Studies of DNA barcoding and molecular phylogeny of *Echinorhynchus veli*  
Sheema, S.H..... 1-9
- Effects of insecticide 0.2% chlorpyrifos 50% E.C., 30% *Balanites aegyptiaca* L. and 30% *Sapindus mukorossi* Gaertn. Fruit extracts on mitotic index and mitotic inhibition in onion (*Allium cepa* L.) Root tip meristem cells  
S. S. Nalge and A. S. Wabale ..... 10-14
- Effect of Mannitol concentration on chilli genotypes  
Chanchal Garg<sup>1</sup>, Kamal Sharma<sup>1</sup>, Asha Sharma<sup>2</sup> and Kirpa Ram<sup>1</sup> ..... 15-19
- Preparation and characterization of bio products from tannery chrome shavings  
Hiwot Getahun<sup>1</sup> and R. Karthikeyan<sup>2</sup> ..... 20-28
- Bioremediation of crude oil and study of the hydrocarbon degrading isolates, their biosurfactant activity against human pathogens  
Sandhiya, S<sup>1</sup> & Anusha Balasingh<sup>2</sup> ..... 29-36
- Volatile compound analysis using GC-MS, phytochemical screening and antioxidant activity of *Ficus ampelocarpa* Govind and Masil fruit  
G Divya Bharathi and M Saradha ..... 37-45
- SAMHD1 and HIV1 infection: A new approach  
Arindam Bhattacharjee, Swarnab Sengupta, Priya Rudra, Rohan Nath, Minakshi Deb ..... 46-53
- Some noteworthy corticioid fungi from District Chamba (Himachal Pradesh)  
Poonam<sup>1</sup>, Avneet Pal Singh<sup>2</sup> and Gulpaul Singh Dhingra<sup>2</sup> ..... 54-59
- Assessment of root colonization by VAM fungi in vegetable plants in central india  
Poonam Verma<sup>1</sup>, Sagar Barle<sup>2</sup>, Mridul Shaky<sup>1</sup> and Sardul Singh Sandhu<sup>1</sup> ..... 60-66
- Histological organization and changes in the architecture of thyroid follicles and ovarian tissues during growth, maturation and spawning phases in *Ompok bimaculatus* (Bloch)  
Mainak Banerjee<sup>1</sup>, Abhijit Mazumdar<sup>2</sup>, Padmanabha Chakrabarti<sup>1</sup> ..... 67-72
- Fourier transform infrared spectroscopy (FTIR) analysis of some isolated endophytic fungi  
M. Kanjana, G. Kanimozhi and A. Panneerselvam ..... 72-79
- Green synthesis of silver nanoparticles and application in dye decolorization by *Pleurotus ostreatus* (MH591763)  
Karthikeyan, V.<sup>1</sup>, Ragunathan, R.<sup>2</sup>, Jesteena Johny<sup>2</sup>, Kabesh. K.<sup>2</sup> ..... 80-86
- Evaluation of shelf life of *Trichoderma harzianum* and *Gliocladium virens* on different organic substrates for better use efficiency  
Niren Majumdar<sup>1</sup> & Sitansu Pan<sup>2</sup> ..... 87-91
- Anionic detergent induced dna damage in fish *channa punctatus* (bloch,1793)  
Anubha Shukla and Sunil P. Trivedi ..... 92-96
- Comparison of agar and broth media and vitrification in in vitro culturing of sumac  
Behrouz Pourdad<sup>1</sup> and Abbas Safarnejhad<sup>2</sup> ..... 97-100
- Physico-biochemical and microbiological status of the dry spices from Jan-bazaar, kolkata  
Soma Pal Saha<sup>\*1</sup>, Abhijit Biswas<sup>2</sup>, Anirban Kool<sup>2</sup>, Anusree Goswami<sup>2</sup>, Arpita Kar<sup>2</sup>, Moumita Saha<sup>2</sup>, Nahid Sultana<sup>2</sup>, Satavisha Ghosh<sup>2</sup>, Sautrik Bhattacharya<sup>2</sup>, Sayan Das<sup>2</sup>, Soumyadeep Mukherjee<sup>2</sup>, Souradip Paul<sup>2</sup>, Souvik Nandy<sup>2</sup>, Sujoy Halder<sup>2</sup>, Suvamita Rout<sup>2</sup> and Rini Roy<sup>3</sup> ..... 101-106

Comparative study of synthetic plastics and biodegradable plastics Repudaman Singh Sandhu <sup>1</sup> and Mridul Shakya <sup>*2</sup> .....	107-112
---	---------

### **Short Communication**

Will the agricultural research suffice to overcome the changing climate? Y. Vasudeva Rao .....	113-116
---	---------

Note on the status of <i>Polyalthia malabarica</i> var. <i>longipedicellata</i> A. Alister et al. (Annonaceae)-An endemic species of the southern Western Ghats <sup>*</sup> Shailajakumari S., Sreekala A.K., Parthipan B. <sup>1</sup> and E.S. Santhosh Kumar .....	117-118
---	---------
