

## Review Article

## Research Articles

- Purification of  $\alpha$ -L-rhamnosidase for the transformation of rutin to isoquercitrin  
Dhirendra Kumar, Sarita Yadav, Sudha Yadava\* and K.D.S. Yadav ..... 119-124
- Screening of staphylokinase producing *Staphylococcus* spp. From different sources  
Shah, N. R.<sup>1\*</sup>, Panchal, H.K.<sup>2</sup> .....125-128
- Molluscan diversity of the Gulf of Kachchh, Gujarat, India  
Heena Parmar\*, R. D. Kamboj, Yashpal Anand, Jigar D. Joshi, Sandeep Munjpara, Harshad Salvi ..... 129-135
- Isolation and characterization of bacteriophages with lytic activity isolated from Siliguri, West Bengal, using *Escherichia coli* as host organism  
Shyama Prasad Saha and Arindam Bhattacharjee\* ..... 136-139
- Abiotic stresses of salinity and water to enhance alkaloids production in cell suspension culture of *Catharanthus roseus*  
Malay Ranjan Mishra, Rajesh Kumar Srivastava and Nasim Akhtar\* ..... 140-148
- Breeding system and seed biology of *Humboldtia vahliana* Wight. (Fabaceae) –a Western Ghats endemic  
Deepthikumary, K.P. \*, Sreekala, A.K.<sup>1</sup> and Anoosh Varghese<sup>2</sup> ..... 149-155
- Biogenetical status of four endogamous populations of Saundik Vaishya Community of Munger District (Bihar) in India  
Saurabh Birla<sup>1\*</sup>, Sandeep Kumar Tata<sup>2</sup>, Kamal Kishor Sinha<sup>3</sup> ..... 156-161
- Pharmacognostic and phytochemical studies on *Holarrhena antidysenterica* (Roth) Wall. EX A. DC  
Turendra Lilhare and Mahesh Kawale ..... 162-167
- Aqueous two phase system based downstream processing of Endo-1, 4 -D-xylanase from culture filtrate of *Aspergillus niger*  
Roshni Tapadar<sup>1</sup>, Madhurima Nandi<sup>1</sup>, Ruplekha Chatterjee<sup>1</sup>, Kakali Mukherjee<sup>1</sup>, Kausik Majumder<sup>2\*</sup> ... 168-173
- Studies in the incidence of *Aspergillus flavus*, *A. niger* and a rare new strain of *A. silvaticus* in two localities of Bengaluru  
Jyoti Bharamgoud Marigoudar<sup>1\*</sup> Jacob N Abraham<sup>2</sup> ..... 174-180
- Direct and indirect somatic embryogenesis from leaf and leaf derived callus of *Momordica dioica* Roxb.  
T.N. Swamy, V. Suresh, K. Thirupathi and Md. Mustafa\* ..... 181-186
- Gait analysis for assessment of chronic low back pain from lumbar facet joints  
Goswami Subrata\*, Chanda Abhijit, Dey Rajib ..... 187-193
- Screening of staphylokinase producing *Staphylococcus* spp. from different sources  
Shah N.R.<sup>1\*</sup>, Panchal H.K.<sup>2</sup> ..... 194-197
- Evolutionary importance of TOXR gene of *Vibrio cholerae* isolated from shrimp infected with white spot syndrome  
Sathyapriya, A.\* & Anitha, A. .... 198-202
- Evaluation of biochemical contents of mulberry silkworm larvae due to muscardine and flacherie diseases  
Md. Takhlique\* ..... 203-206
- Effect of pre and post emergent herbicides on growth and yield parameter in transplanted rice  
Bhimashankar\*, Shivaprasad M.<sup>2</sup>, Rajath H. P.<sup>1</sup>, Dinesh Kumar M.<sup>1</sup> and Girijesh G.K.<sup>1</sup> ..... 207-210

Assessment on impact of women based SHG's on rural life Chanchal Bhargava <sup>1</sup> , S.D. Sawarkar <sup>2</sup> .....	211-216
Production of liquid biofertilizer by using Azotobacter species and their effect on plants growth Patel Shraddha <sup>1</sup> , Singh Shruti <sup>2</sup> .....	217-221
An investigation bacterial contamination in households of Meerut Region at Uttar Pradesh Gurpreet Kaur Sahi <sup>1</sup> and Pankaj K. Tyagi <sup>2</sup> .....	222-226
An investigative study on role of lasers in remineralization and caries prevention Kaynat Mirza <sup>1</sup> & Shadab Mirza <sup>2</sup> .....	227-230

### **Case Study**

Clinical management of hydrallantois due to fetal ascites with cystic fetal kidneys and adventitious placenta by transcervical allantocentesis in a crossbred jersey cow V. Varudharajan <sup>*</sup> , M. Selvaraju, K. Ravikumar and S. Prakash .....	231-234
