

## Review Articles

- Vegetable breeding-A climate resilience perspective  
<sup>a</sup>Jasti Srivarsha, <sup>b</sup>Jahagirdar J.E., <sup>a</sup>Dalvi, V.V. .... 296-302

## Research Articles

- Gene expression of TCF7L2 in women with gestational diabetes mellitus in second trimester  
Zainab k. Hussain , Jabbar H. Yenzeel and Hayfa H.Hassani .....303-306
- Long-term outcome of complications associated with femur fracture repaired by plate-rod construct using locking plates in nine dogs  
Sherin B. Sarangom, Kiranjeet Singh, Aswathy Gopinathan, D.S. Surendra, C. Sowbharenaya, Pallvi Sharma, Christina John and E. Kalaiselvan ..... 307-313
- Comparative studies of minimum inhibitory concentration of conventional and Moxifloxacin against common pathogenic strains  
<sup>a</sup> Kumari Anjana, <sup>a</sup>Ramesh Kumar Nirala, <sup>b</sup> Mody, S.K., <sup>c</sup> Gond, V.K. and <sup>c</sup> Gangwar, S.K..... 314-316
- Genetic diversity for yield and its components in blackgram ( *Vigna mungo* L.)  
Ajay Sureshrao Aher, Gabriel M. Lal and K. Pandit ..... 317-324
- Integrated nutrient management by using enriched compost, vermi compost and biofertilizer on growth and yield of potato  
Roji Chutia & Bhagawati, P.C. .... 325-328
- Studies on the nutrients metabolizability for the effect of dietary supplementation of salts of different levels of organic acids mixture of laying hens  
<sup>a</sup>Dahiya R., <sup>b</sup> Berwal R.S. , <sup>c</sup>Lalit , <sup>b</sup>Sihag S., <sup>d</sup>Dalal D.S. and <sup>e\*</sup>Patil C.S..... 329-334
- Genetic variability and correlation studies in f 6 generation of wheat ( *Triticum aestivum* L . )  
Kajal Pandit, Gabriel M. Lal & A. Aher ..... 335-338
- Microbial screening of eggs for detection of antimicrobial drug residues - a simple and cost-effective method  
Tharanya Selvaraj, Ghadhevaru Sarathchandra , Dhinakar Raj & Preetha Palaninathan ..... 339-342
- Study on effect of garbage feeding with concentrate and mineral mixture on growth rate of large white Yorkshire pig  
Geetha, T. & Tensingh Gnanaraj, P. .... 343-344
- Estrogen and progesterone levels following double injections of PGF 2 a in estrus synchronization of Sahiwal cows  
D. D. Caesar, S.S. Chauhan, J. Shakkarpude, S. P. Ansari, M. Dhurvey & M.S. Thakur ..... 345-346
- Study on genetic diversity in chickpea ( *Cicer arietinum* L.) germplasm  
Suyog D. Warkad, Gabriel M. Lal, and Nikhil A. Suryawanshi ..... 347-352
- Trait association study in potato ( *Solanum tuberosum* L.) for processing purpose under two different harvesting periods  
<sup>a</sup>Patel, A.B., <sup>b</sup>Patel, R.N., <sup>c</sup>Gami, R.A. <sup>a</sup>Patel, P.C. & <sup>d</sup>Patel, J.A. .... 353-357
- Performance of *Trichogramma* egg parasitoid species on castor semilooper *Achaea janata* and their conservation in pomegranate ecosystem  
<sup>a</sup>Elango, K., <sup>b</sup>Sridharan, S., <sup>c</sup>Saravanan, P.A. & <sup>d</sup>Balakrishnan, S. .... 358-362
- Socio- variability between eastern and western milk economic producers of uttar pradesh  
<sup>a</sup>Manoj Kumar, <sup>a</sup>Doharey, R.K., <sup>b</sup>Kureel, R.S., <sup>c</sup>Subodh Kumar, <sup>a</sup>Prakash Singh , <sup>d</sup>Rajesh Kumar .... 363-371

Evaluation of anti-angiogenic and antioxidant properties of natural extracts - garlic, honey and green tea *Suparna Deepak, Aditi Pedgaonkar, Pooja Mugundan, Pratiksha Deore , Shivani Gharat .....	72-381
Probiotic characterization and molecular identification of heavy metals resistant lactic acid bacteria from sewage and effluents <sup>a</sup> Richa Sharma and <sup>b</sup> Mahendra K. Gupta .....	382-389
Secretion of a-L- rhamnosidases by some <i>fusarium</i> strains using agro waste as inducer Dhirendra Kumar, Sarita Yadav and Sudha Yadav .....	390-394
Prevalence of antibiotic resistant bacterial isolates and characterization of plasmid DNA conferring MDR via conjugation from potable water samples Shivalika Khode & Mahima Golani .....	395-400
Comparative study on resource use efficiency and economic returns of banana farmers in various agro-climatic zones of tamil nadu <sup>a</sup> Chinnadurai M., <sup>b*</sup> Kavitha V., <sup>c</sup> Angles, S. and <sup>d</sup> Kanaga, S. ....	401-403
<b>Case Study</b>	
Fluorine source and their impact on animal body Anjali Khare, Gaurav Thorat ,Veena Mani, Mamata Joysowal, A .Aziz, Supriya Gupta, Manish Shukla .....	404-407
Chocolate processing Farah Shafi, Monica Reshi, Aiman and Iqra Bashir .....	408-419
Surgical management of femur fracture in indian ring-necked parakeet (parrot) <sup>a</sup> Kumar, V., <sup>a</sup> Nandi, S.K., <sup>a</sup> Ghosh, D., <sup>b*</sup> Lalzawmliana, V. and <sup>c</sup> Singh, N.P. ....	420-422
Surgical management of tibial fracture in a rabbit <sup>a</sup> Sandeep Saharan, <sup>b</sup> Deepak Kumar Tiwari, <sup>b*</sup> Ribu Varghese Mathew .....	423-424
Swine dysentery: A re-emergent challenge for profitable pig production Poorna Chandhar, I., Madhu Swamy, Yamini Verma and Amita Dubey .....	425-428
<b>Short Communication</b>	
Supplementary feeding effect of probiotic and mineral mixture on weight gain of kids of Tellicherry goat <sup>a</sup> Geetha, T. & <sup>b</sup> Tensingh Gnanaraj, P. ....	429-430
Estrogen and progesterone levels following double injections of PGF 2 a in estrus synchronization of Sahiwal cows Caesar, D.D., Chauhan, S.S., Shakkarpude, J., Ansari, S.P., Dhurvey, M. & Thakur, M.S. ....	431-432
